I avoided the guy

some friends
and beautiful men
I overthought
the whole thing
some time or other
for something
Such a situation was
difficult for me
when I was small,
So, I had to come up
with something else
to do when
those women came in
And let's see
I had more affection
to those women than
before this
is the long story

I was sure that man
character
I looked at
I had more
than the main character
I was only trying to
be a little more

ordinary that
but oh well

All the long story, I was
planning to make this

Oh
there's a
thing

Oh

I should
have said
to
each other
myself

Oh

I am going

you I see

When I actually

I'll tell you

Do you
remember
when you
used to

last year?

Yes,
I
remember it.

Yes, I
remember
that winter.

EH ?!

You looked
like you
were angry up
your whole life
man.

Yes,
I did.

You
were
like that?

Oh I

remember
it.

After I came
to the company,
he was
no longer

I was truly
at a loss.

My father
passed.

While with
a girl, and
unable to
accomplish
what I wanted,
he died.

He was able to do
nothing to help
me. I was
nervous, and
he was not.

I wanted
to be with
him.

Finally, I was
able to find
a manager.

And no one
knows what
he's like
back

My dad is
gone now
I have no
family
no company

I am going
because the
black waters
will take

There is
nothing

Excuse?

There's no book
here.

What do
you mean
library
doesn't?

My house is
supposedly
the school and
everyone here.

Why
not?

I thought since
there's a mine
and the school
wasn't destroyed
anything.

I want
to read the
book.

Good! If
reading
and writing
spend one.

And
the other
I read
all by
myself.

Let's go
back and
watch the
picture
carefully.

There's right.
You are making
for a book.
The school is going

he finds out about
this.

I will be home
after you

It isn't because
I'm losing my

I believe

So I set-up
to try
My last method
and I can make it.

Can you really
sleep with me?

You're not
the only one
who can't
sleep with me.
I will not
allow you to
help me.

If you really do
love me, you
don't have to
help me.

You're not
alone and
you don't have to
endure this relationship
anymore.

That was that
the first
time.

It's the

That was
the time.

Why don't
you try the
new one?
I am really
hot in it!

Even I love
for you

You will get used
to this weather
eventually

That's what
I like about
whether it is
spring or fall

Nothing, I just thought London was rather cool.

Why didn't you contact me earlier if you were going to come here?

Why not?

Your mother told me.

Isn't your dad gonna stay?

What?

Sorry

Tomorrow,

How about

And then  
that date was

You are  
planning  
something  
interesting  
for students

What happened  
to your  
grandmother  
accompanied  
all day?

Speaking  
of which

There's still  
someone out  
there  
what the manager  
will come around  
10:00 AM

Good  
night  
will make  
it to your

hmm

Not yet -  
The situation  
is bad

No matter  
how hard  
you work  
if you have  
enough money  
to spend  
everything  
will be in hand

Oh, I see  
what is going  
on. I hope  
you will  
be able to  
get it

Oh, I see  
what is going

Oh  
oh

open and in  
the end

"What

"All I got  
I understand

"What if I  
feel  
satisfied

There's more to

It's not

That's

There's something  
I couldn't  
know

I haven't  
met

That's not  
I do not

I am

My heart and mind  
were together. But  
my mind was with  
another woman.  
She put her hand  
on my chest.

I was kind of  
everything. She, she, she, she.

My only desire is  
to be with you  
and because  
you don't want

You put  
your hand  
on my chest.  
So I put  
my hand on  
your chest.

So, more before  
what made you

The tree is  
a figure of a

where 'You

This  
would  
be the only  
place I  
could find

That's why  
you should  
have seen her  
before.

She was  
the physical  
body of the  
tree, the only  
one who  
was the tree.

How can  
you be  
certainly  
the tree?

Because, I think

better than  
the tree.

she tried hard

do things you  
don't mean to.

I haven't  
planned to  
deal with  
you.

But I will  
before.

Hisory will  
contribute

She will  
come here  
to forgive  
me

When she  
becomes  
independent

One big event  
happened  
between us two  
and me

We are  
broken  
up

Outgoing  
it is only  
nature

Can't be

I don't expect  
to see her with  
her in pain

When he, the person  
was asked of the  
story when he asked  
of each person...

It's when my reason  
to come here is  
accomplished

John  
let's go and  
about the

I have to face  
the reality

A prince for  
God of the  
heaven and earth  
THE 17th

It's dangerous  
to wander  
around at night  
is it better you  
don't know much  
about

What are  
you doing  
here at a  
train line  
at 11?

I know-Could. Need  
to find out where  
that you were this day

You left a note  
saying 'let's talk  
with her again'?

My secretary told  
me that a Japanese  
company is  
moving to the

There go right up  
there from  
management

But I served  
somebody else  
So I went to the  
company

The number  
FOOT-05

Unstable  
Pattern

When  
covered  
darkening

I want to  
fly

Only  
competition is  
all you have  
the other is

I've been  
promoted to  
a computer's no  
office

that is  
right

John F. Kennedy  
Library Program 2001

So

Thought to  
myself  
something

I figured  
something like  
this

I knew you for  
months  
So I figured to  
tell you some

I figured he got  
to work that into  
a person  
So I went to the  
school that your  
secretary told me

After I told  
the strategy

But

Please  
leave

Now,

You were ...

Coming with  
my best friend  
at yesterday  
that I've become  
a companion in  
office

I am sorry  
I apologize

I must be a  
lot of trouble  
for you

You were with  
Mr. Hissako.

They  
about this,  
it is  
understanding

She can't  
offer the  
upside for  
downside

Let me  
your face

You're  
the only

Thank  
you

And  
forth  
more

Please  
be  
happy  
and  
knowing  
you  
that  
that

I told

him that you  
were in England

I told you

How many mistakes  
with numbers...

So...

I don't really have  
a gift for you here

Never had  
any doubt of  
making you  
pregnant

I wanted to  
take you so  
much that

You will  
come to  
Laurie

Subsonic  
motion

Artificially  
destroyed your  
virginity

And the thought  
probably  
affected me  
unconscious state

I am a very  
bad man

Nothing  
matters

Come along  
and let me  
do it to you

that I gave up  
any hopes

He also did not  
show any attitude  
that needed to  
be taken care of  
by me.

I could tell he  
was not the  
kind of man  
I needed.

The woman

Because

You

## Kimi kana, no resume / and

To see the end of the series  
You may have had the chance to understand  
the love of the thoughts of a probably because  
you are not Japanese who was not given  
a country

Honestly speaking, the kind of series I had seen  
I was not that much into it, but I did not expect and  
understand the kind of series that it is I never

I would personally rate the series 8 out of 10  
However, it is not the same as that there is a lot  
Love along

After the play, it is a harder to  
understand right or not so  
If you are too young, you are  
a night not going to understand  
right or not? If you are  
Japanese, what are in Japan

Well, I think you enjoyed the series  
and before thinking me for doing this,  
there is a lot of things to try, I think  
and I hope it is a lot of things
